### California Community Colleges Chancellor's Office (CCCCO)

- Established a website for COVID-19: <https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Communications-and-Marketing/Novel-Coronavirus>
- The Community Colleges are gathering information on available dorm space and have provided updates to Department of Social Services.
- The Chancellor's Office continues to provide guidance to ensure that teaching and learning continues at all 115 community colleges and that students are not penalized academically or financially due to the COVID-19 crisis.
- The Chancellor's Office is hosting weekly webinars focused on updates, guidance and support for dealing with the COVID-19 outbreak.

### University of California System (UC)

- UC established a website that compiles public info at <https://ucnet.universityofcalifornia.edu/news/2020/01/ucs-response-to-coronavirus.html>
- The UC President is asking the campuses to re-evaluate their dorm space, per Governor's direct request and are working directly with Department of Social Services.
- The UC Medical System is in need of PPE and are working through the MHOAC system to fill those requests.

### California State University System (CSU)

- Requesting guidance on Public Assistance or other financial reimbursement programs.
- Established a website at <https://www2.calstate.edu/coronavirus/>
- CSU provided a list of available facilities to Department of Social Services and the Housing Task Force.

### Transportation and Infrastructure Task Force (ESF 1/ESF 3)

#### Accomplishments:

- Following up with California Trucking Association on California Department of Food and Agriculture (CDFA) inquiry regarding food deliveries not being made to Trinity County.
- Following up with Caltrans and DMV regarding information and pending requests California Trucking Association discussed with Secretary Kim on Skills Testing/Medical Certification.
- Secretary Kim spoke with Caltrans Director Omishakin about MAP-21 1511 emergency truck size and weight limit exemptions. Caltrans reviewing the issue.
- Secretary Kim had calls with the California Airports Council and the California Association of Port Authorities.
- Caltrans sent out guidance to its construction contractors regarding the Executive Order on essential workers.
- Caltrans will be sending out a survey to transit operators about COVID-19 response.
- The Port of Oakland labor union's concerns with respect to cleaning protocols have been resolved.

### Energy Commission (CEC)

- CEC has initiated a confidential survey of California refining companies to obtain assessments of potential operational changes due to decreases in gasoline and jet fuel demand. Conference calls with each of the refining companies will begin to be scheduled over the next couple of days. CEC will also be discussing the possibility of daily data collection of fuel production and inventory levels from refiners.
- Statewide demand for transportation fuels has recently declined for gasoline and jet fuel due to increased statewide telecommuting activity, school closures, public event cancellations and flight cancellations.
  - As a consequence, gasoline and jet fuel supplies are more than adequate to meet this reduced demand.
  - Diesel fuel demand is estimated to be near or slightly below historical levels for this time of year as goods movement continues to provide foodstuffs and other supplies to grocery stores and other businesses.
- CEC staff are monitoring information about natural gas (NG) sector operations, supply and availability. NG production is occurring at record levels, liquefied NG (LNG) exports are occurring at high levels, and staff has seen no reporting of COVID-19 related outages in natural gas industry media. CEC staff is reaching out to NG industry operators and experts seeking more information on challenges that operations are facing and planning for due to COVID-19 and effects.
- Metropolitan Transportation Agency (MTC) is providing CEC with a copy of their Regional Transportation Summary report containing key ridership data and has provided some historical bridge traffic count data to assist with CEC demand analysis.

### California Department of Water Resources (DWR)

- DWR Department Operations Center was activated March 23, 2020, in response to the CA COVID19 Pandemic. In addition, DWR has activated three EOC's including the State Water Project, Flood Operations Center, and the Division of Safety of Dams to respond to the CA COVID19 pandemic.
- DWR staff is monitoring information about water sector operations, supply and availability, and staff has seen no reporting of COVID-19 related water infrastructure issues.
- DWR staff is coordinating with Federal water sector operators and experts regarding challenges that operations are facing and planning effects of COVID-19.

### California Utilities Emergency Association (CUEA)

- All utilities are at essential and critical staffing to meet the public needs, no unmet needs presently.
- Mutual Assistance Agreement is in place to provide the movement of critical manpower from utility to utility to maintain service and staffing levels if needed.
- Following the stay at home order, telecom providers have seen an increase in traffic (voice, short message service, gaming and hotspot usage), and they continue to monitor and manage their networks.

### California Department of Food and Agriculture (CDFA)
